CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1393-CPR-0756

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

**Resin-bonded particleboard for internal use as a structural
component in humid conditions
(Type P5 - EN 312 thickness 10 – 28 mm)**

produced by or for

**KRONOSPAN CRO
Slavonska cesta 17
430 00 Bjelovar
Croatia**

and produced in the factory: KRONOSPAN CRO, Slavonska cesta 17, Bjelovar, Croatia

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 13 986:2004+A1:2015

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 10 January 2012 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

ZERTIFIKAT DER KONFORMITÄT DER WERKSEIGENEN PRODUKTIONSKONTROLLE

1393-CPR-0756

Gemäß der Verordnung (EU) Nr. 305/2011 des Europäischen Parlaments und des Rates vom 9. März 2011 (Bauproduktenverordnung - CPR) gilt dieses Zertifikat für das Bauprodukt:

**Spannplatte für die Innenverwendung als tragendes Bauteil im
Feuchtbereich (Type P5 - EN 312 Dickenbereich 10 – 28 mm)**

hergestellt durch oder für

**KRONOSPAN CRO
Slavonska cesta 17
430 00 Bjelovar
Kroatien**

im Herstellwerk: KRONOSPAN CRO, Slavonska cesta 17, Bjelovar, Kroatien

Dieses Zertifikat bescheinigt, dass alle Vorschriften über die Bewertung und Überprüfung der Leistungsbeständigkeit beschrieben im Anhang ZA der harmonisierten Norm

EN 13 986:2004+A1:2015

entsprechend System 2+ angewendet werden und dass die werkseigene Produktionskontrolle alle darin vorgeschriebenen Anforderungen erfüllt.

Dieses Zertifikat wurde erstmals am 10. Januar 2012 ausgestellt und bleibt gültig, solange sich die in der harmonisierten Norm genannten Prüfverfahren und/oder Anforderungen der werkseigenen Produktionskontrolle zur Bewertung der Leistung der erklärten Merkmale nicht ändern und das Produkt und die Herstellbedingungen im Werk nicht wesentlich geändert werden.

1. THE HARMONIZED TECHNICAL STANDARD, THE FOREIGN TECHNICAL STANDARD TAKING OVER IN THE EU MEMBER STATES THE HARMONIZED EUROPEAN STANDARD, THE EUROPEAN TECHNICAL APPROVAL OR DESIGNATED STANDARD

ČSN EN 13986+A1 Wood-based panels for use in construction – Characteristics, evaluation of conformity and marking

2. INFORMATION ABOUT THE PRODUCT

Particleboard without surface finishing for permanent installation in buildings for load-bearing purposes in the danger class 1 and 2 according to ČSN EN 335-3 (humid conditions).

3. LIST OF THE DOCUMENTS USED IN THE INSPECTION

- ČSN EN 312 Particleboards - Specifications
- Laboratory Quality Manual

4. PRODUCTION MANAGEMENT SYSTEM

The inspection of the production management system was primarily focused on:

Product control and testing - the manufacturer regularly controls the product through its testing resulting from the table 12 ČSN EN 13986+A1. The test results are analyzed, assessed, recorded in writing and comply with the table 4 ČSN EN 300. The records are signed by the employee having done the tests and archived for a minimum of 3 years.

Product identifiability and traceability - the system of marking guarantees the product can be traced in any moment of its production.

Non-conforming product control - non-conforming products are marked and excluded.

A procedure to run the control, measuring and testing equipment was developed and is strictly adhered to.

Handling, storing, packaging, protection and delivery - conditions for storage and distribution of products are satisfactory.

5. ASSESSMENT OF THE PRODUCTION MANAGEMENT SYSTEM

The production management system was inspected by Ondřej Vlček in November on the 21st 2016 in the manufacturing facility in Bjelovar.

6. CONCLUSION

Production management system complies with the requirements set by the harmonized standard ČSN EN 13986+A1.
